

Hand Crafted Websites Starting at only \$50

Websites can be inexpensive AND effective.

Custom Websites by:

Services and Rates:

The first page of any new website project --- \$50
(provided you supply us an outline, the photos, graphics and text. Go to Omni9.com and click on '6 Steps' for more information on what to provide).

Additional web pages for your website --- \$45 each or less.
(Provided you supply an outline, photos, graphics and text.)

If you require our assistance in designing your website, preparing your photos and graphics, writing or editing your text or researching your competition our standard fee is --- \$45/hour.
(Each page of a custom websites can take 2-5 hours to design, prep, build, optimize, interconnect and make it internet accessible.)

Email or call us with your requirements and we can have a firm estimate for you within 24 hours. Mike@Omni9.com (509) 489-3871

Your own 'dot com' web address (YourName.com) --- \$17.50 per year
Plus a one time charge of \$10 to \$20 to search for the best available name.

To save money we can give you a web address using a subdomain of one of our primary addresses --- N/C ---

YourName.OmniM.com
YourName.SpokaneNotices.com
YourName.Zag8.com or
YourName.Spin9.com

Website Hosting is --- \$3.50 to \$7.00 per month

Adding E-commerce functions will add \$100 or more to your project.
(Note: E-commerce functions can be maintenance intensive over the long run and may require third party servicing fees.)

Basic Search Engine Optimization --- included at no additional cost
Comprehensive Search Engine Optimization --- \$25 per page.
Registration with the three primary Search Engines --- included

For all websites we will give you an estimate of the final cost.
Before starting your project we will require a 50% deposit and the remainder at the same time your website goes live.

Visit www.OMNI9.com to see samples of our work

After the site is up and running on the internet we can make simple text changes for only \$4 (other changes - \$12 per 15 min). Emailing us your changes is usually the fastest way to get things done. We will confirm your change request and estimate when you could expect to see those changes. We usually send out invoices just before the end of the month with terms of NET 10 days.
